Estimated where no returns made at 20/12/2019

Please note: The No. of Deanery Synod reps has been calculated based on the ER figures submitted up to 20/12/2019 as presented at each APCM held in 2019. This information has either been taken from the online submission (primary source); the ER certificate; or information received by email and telephone conversations. 2019 was an Electoral Roll Revision year so it has therefore had an impact on the number of places some deaneries / parishes have been allocated. If you would like to query these figures you MUST provide evidence of your APCM figure in 2019 as accepted at your APCM. Regrettably not all parishes returned this information and therefore any parishes whereby the figures are shown in yellow, places have been calculated on an estimated basis and therefore may not reflect an accurate picture. We would like to adjust any estimated figures to the actual 2019 ER numbers and, in this case, would ask that you provide the actual number as a matter of urgency where evidence can be provided.

If you would like to update any figures please send an email marked for the attention of Caroline Todd to dero@oxford.anglican.org
